Offering a Variety of Beverage Options

We offer a full bar and beverage options to go perfectly with your meal whether its breakfast, lunch or dinner!

With the popular Honker Feast Breakfast, order our fresh squeezed orange juice or one of our Italian coffee drinks. We don't know anyone else in town who peels their own oranges and offers true freshly squeezed orange juice. We proudly serve Italy's favorite and best selling coffee - Lavazza espresso products. For more than a century, the Lavazza family name has been connected to their passion for perfection in coffee and we are excited to offer our customers espresso, cappuccino, mochas and lattes.

We have a great selection of beer, wine and liquor that includes White Haven Sauvignon Blanc and Louis Martini Cabernet. We have unique beers on tap such as a house favorite Honker Lager... and the #1 craft beer in Minnesota... Summit EPA and the traditional Premium Grain Belt beer.

We have all the classic martinis and offer our own signature favorite: Dirty Goose Martini , Bunnies Coconut Martini, Honkin' Mary- homemade blend with a beef stick, cheese cube, pickle, lime, lemon and olives (almost a meal in itself!) or our Top Shelf or the tasty Salty Goose made with Patron.
